

ANANDAKANNAN S

Web Developer

Coimbatore, India | +91-9360377133 | anandakannan50@gmail.com | linkedin.com/in/anandakannans | github.com/89610

SUMMARY

Web Developer fresher with a B.Sc. in Computer Science (2026), skilled in HTML5, CSS3, JavaScript (ES6+), React.js, and Bootstrap 5. Built and deployed real-world projects including a voice-activated web app and a responsive portfolio site. Comfortable with Git, REST APIs, and SQL. Eager to write clean code and contribute to a development team.

TECHNICAL SKILLS

Languages & Front-End: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap 5
Programming: Python, C++, Java
Styling & Layout: Flexbox, CSS Grid, Responsive Design, Media Queries
Tools & Platforms: Git, GitHub, VS Code, Figma (Basic)
Other: SQL (Basic), REST APIs, DOM Manipulation, Web Speech API

PROJECTS

Speech-Enabled Smart Recipe Recommendation System 2025
HTML5, CSS3, JavaScript, Python (Flask), SQLite, Web Speech API

- Built a voice-activated recipe app using the Web Speech API — users speak ingredients and receive instant recommendations, enabling hands-free, accessible interaction.
- Rendered recipe results dynamically with JavaScript and designed a fully responsive UI with CSS Flexbox for seamless cross-device experience.
- Implemented relevance-based filtering logic to rank recipes by matched ingredients, simulating a lightweight recommendation engine.

Personal Portfolio Website 2024
HTML5, CSS3, Bootstrap 5, JavaScript

- Designed and deployed a responsive portfolio on GitHub Pages featuring smooth navigation, animated sections, and an interactive contact form.
- Leveraged Bootstrap 5 grid and custom CSS for pixel-perfect layouts across all screen sizes; optimized assets for fast load times.
- Structured content to highlight skills, projects, and certifications — aligned with recruiter expectations and ATS best practices.

EDUCATION

Bachelor of Science in Computer Science 2023 – 2026
Bharathiar University, Coimbatore
CGPA: 7.7 / 10.0

Coursework: Web Technologies, Data Structures & Algorithms, DBMS, Operating Systems, OOP concepts

CERTIFICATIONS

- Fundamentals of Web Development – Edunet Foundation
- JavaScript Algorithms & Data Structures (Basics) – FreeCodeCamp
- SQL Basics Certification – Simplilearn
- Basics of Python – Infosys

TECHNICAL EVENTS

- Hackathon – Project Based Learning – ICT Academy
- IoT Workshop Participant & Certificate Awardee – Government Arts & Science College, Avinashi
- Data science and AI workshop - Dhaaps

TECHNICAL ACTIVITIES

- Regularly solving coding problems on LeetCode and CodeChef to strengthen problem-solving skills.
- Completing Responsive Web Design course via FreeCodeCamp's hands-on learning program.
